Dear John,*

Mr. Barker has advised me that you are terminating your employment with the Branch on Friday the 19th and I wish to take this opportunity of thanking you for your close attention to the affairs of the showroom during your employment at the Branch.

The showroom there was always tastefully arranged and pleasing to the eye and while we regret losing your services we nevertheless are pleased that you have been able to improve your employment to your advantage. We will no doubt meet you again when in Palmerston North and in the meantime we send you kindest regards and good luck.

Yours faithfully,
